We want to tell you about our current proposals for five new affordable homes before we submit a planning application.

As we're unable to meet you face-to-face due to COVID-19, we have arranged a pre-recorded information event to ensure that you still get the opportunity to view the revised plans and hear about the energy efficiency standard of the homes.

The pre-recorded presentation will be available to view from Monday 26th April 2021.

You can let us know your thoughts by emailing newhomes@winchester.gov.uk or by visiting www.winchester.gov.uk/woodman-close by Monday 10th May 2021.

We look forward to hearing from you!
